* Low = Below Level 4 at KS2; middle = Level 4; high = Level 5 or above

** Disadvantaged pupils have claimed FSM at any time in the last 6 years or are looked after.

A school gap smaller than the national gap might be a result of lower than national attainment for both groups. Similarly, a larger than national gap might conceal higher than average performance for each group.

All data are from the DfE Performance Tables, January 2015, maintained schools.
